HMG-IND

100 Watts, 120 Volts

Melts 1.3 pounds hot melt per hour

Weighs 10 ounces

380°F Temperature Setting

6 month warranty

HMG-HD2

300 Watts, 120 Volts

A huge 4 pound per hour melt rate!

Weighs 1.7 pounds

400°F Temperature Setting

One Year warranty

Nozzles	
	HMG-NAD is an adapter needed for HMG-N1 & HMG-ND nozzles.
	HMG-N1 nozzle applies 5 thin stripes of adhesive 1/8" apart-for use with HMG-HD2 only.
	HMG-ND has a larger opening to apply a larger drop of adhesive.
	HMG-HN is the standard nozzle for the Heavy Duty Glue Gun.
	HMG-HI is the standard nozzle for the Industrial Glue Gun.
